Most Valuable Pros Program

Be Pro Be Proud created the **Most Valuable Pros Program (MVP)** to offer a unique hands-on learning and leadership opportunity for students you select to participate.

Each day, four to eight students are invited to spend the day working with the Be Pro Mobile Workshop Tour Team to demonstrate the use of on-board simulators and communicate directly with peers about available training options and career opportunities. Students are matched with simulators of particular interest so they, too, can dive deeper into these careers.

Most Valuable Pros Program Details:

- Between Four and Eight (4-8) Ambassadors are selected by their teachers.
- **MVP Ambassadors** need to plan to arrive at **8:30 am** on the tour day.
- **MVP Ambassadors** will receive a complimentary BE PRO BE PROUD MVP t-shirt to wear for the duration of the tour day (and keep!).
- After an End-of-Day Debriefing, the Tour Director will dismiss the **MVP Ambassadors** to return to class once the final group has completed their tour experience.
- The Be Pro Be Proud Communications Director will email the selected **MVP Ambassadors** to get comments on their experiences for possible additional social media exposure.
- Waivers will be necessary before students can be showcased on social media channels; **MVP Ambassadors** MUST be over 13 years old.
